

Suction Roll Components

**Lightweight,
Corrosion Resistant
FRP Seal Holders.**

Coldwater is the leading supplier of suction roll seals in the world. Our holders, tubes and seals can be ordered as a ready-to-install assembly for new suction rolls.

Coldwater maintains an inventory of FRP Seal Holders in the United States and Sweden, and our FRP End Deckle Holders can also be custom designed to meet any need.

 **COLDWATER**

*Reliable Innovation for
Consumables & Optimization*

Atlanta & Appleton USA / Karlstad Sweden / Kunshan China
